Carrier Guidance Cell Under "Carrier Katta" 2021-2022

"Career Katta" is organized by Maharashtra State Higher and Technical Education Department and Maharashtra Information Technology Assistance Centre. Two activities have been organized under this "IAS" and "Entrepreneur". Both these activities will be implemented for one hour every day for 365 days.

Under the initiative "IAS" guidance of administrative officers working in Delhi, Mumbai as well as in India is available to students preparing for competitive examinations. Hence students preparing for different competitive exams of Maharashtra State Public Service Commission and Indian Administrative Service get guidance at their doorstep without having to travel from rural areas to urban areas.

Under the initiative "Entrepreneur's visit", the college youth who want to start their own business will be introduced to various concepts that are going on at the national and international level to increase their entrepreneurial skills. In this activity, various bank officials, administrative department officials and many experts are getting guidance.

Career Katta workshop will be conducted for 365 days for one hour every day. The registration fee for this workshop is Rs.365 (Rs. 1. Students get competitive exam and business guidance. For this they have to register on MITCS apps.

A MITSC has been developed for the students under the Career Katta section and the students have to register and choose the course according to their requirements by going to this app, including IAS IPS Banking and some courses are also made available on this app.

So far more than 100 students in colleges have downloaded this app and are watching recorded competitive exam lectures and more than 40 students are listening live lectures in college by paying annual fee. Some college students have registered on MITCS app for police recruitment training and they solve physical test and regular question paper for police recruitment on this app.

College Career Katta Coordinator Prof. Shivshankar More has created a group for the entire college and on this group, he is regularly posting various advertisements of the government, employment news and recruitment in various departments, and also some free online competition

exam e-books, notes are also being conveyed to the students through What's App more than 200 students of college are joined for this group.
