## 6.2: Strategy Development and Deployment

**6.2.1: The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, deployment of institutional Strategic/ perspective/development plan etc**

### Response:

The college rigorously abides by the rules set forth by the UGC, NAAC, the Maharashtra government, and the affiliated SGBA University, Amravati from time to time. The college's organizational structure is led by the College Development Committee, which is made up of parent management members, teachers' and non-teaching staff members' representatives, nominated members, and the principal. The members of the IQAC are teachers, alumni association nominees, local bodies, business representatives, and student representatives. Members of the Council of Heads include the heads of each department. All permanent teachers make up the Staff Council. Head Clerk, Senior Clerks, Junior Clerks and Peons.

College administrators give faculty members the freedom and chances to organize and carry out a variety of academic, extracurricular, and extension programmes. Many academic staff members who are trained by university through the "Train the Trainer Program", have the chance to grow and improve their leadership abilities. Through IQAC, CDC, Staff Council and NSS Committee, the principal and faculty are devoted and consistently helpful.

### Perspective Plans:-

The institution prepares perspective plan for systematic and phase development.

1. To introduce job oriented courses.
2. Offering certificate and diploma courses in college.
3. To start PG courses in respective department.
4. Introduce skill development and value oriented courses.
5. To emphasize the student's holistic development, their learning outcomes fulfill the employment expectation.
6. To improve students success rate.
7. To introduce the NCC (National Cadet Corps) Unit with 36 Maharashtra batalian (Khamgaon)
8. To encourage teaching staff, Students to do MOOCs online courses on SWAYAM platform.
9. To encourage the Faculty for Paper publishing In UGC approved National and International Journal.
10. To establish research facility and to develop the research culture among the teachers and Students.
11. Collaboration /linkages with Industries to enhance the skill development of students.

The college abides by the guidelines for service rules and conditions that are periodically established by the associated university, the UGC and the Maharashtra government.

**Procedure of Recruitment:**

All college posts, both temporary and permanent, are filled by the parent administration in accordance with the rules and guidelines established by the Maharashtra government, affiliated universities, and UGC.

**Procedure of Promotion:**

The directions and CAS regulations of the parent university SGBAU, Amravati, UGC, and the Government of Maharashtra, are followed for granting promotions to teaching staff.

**Perspective Plan:**

The college has prepared a perspective plan for academic years 2017-18 to 2021-22 that takes into account the institution's overall developmental factors, including infrastructure development, the introduction of new skill-based, add-on, and value-added certificate courses, the purchase of advanced equipment, the enhancement of research activities, the provision of academic and athletic facilities, the development of ICT enabled classrooms, NSQF-based certificate courses, and the organization of training programmes for the faculties and students. On the college website, a perspective plan has been displayed. Through the participation of all stakeholders, IQAC has created certain high-quality policies, which are evaluated annually.

The college has decided to establish several courses that assist students in gaining additional life skills in a particular subject in order to carry out the Perspective Plan and to improve overall skills of students. Every college department was asked to create the curriculum and launch these Add-On/Certificate Courses with a minimum duration of 30 hours for this purpose.

**Introducing New Courses through NSQF:**

In response to student demand and current developments, the college decided to create new courses. As a result, the college decided to start new courses, and three recommendations for NSQF-aligned, skill-based courses were presented. As a result, the linked university has given the institution authorization to offer NSQF in Physics, Chemistry, Mathematics, Botany, Zoology beginning in the 2020-21 academic year.
