

SANT GADGE BABA AMRAVATI UNIVERSITY, AMRAVATI**Faculty: Science & Technology****Programme:- B.Sc.****Subject: Compulsory English****Preamble:**

English language plays an essential role in our lives as it helps in better communication on personal, social, literary, interdisciplinary topics and also in business world. It is the main language for studying any subject all over the world. It shall help to build up general language proficiency through listening, speaking, reading and writing, and provide the more opportunity to acquire broader information and specialized knowledge of particular subject through the English language. It is important for science students to learn English as it broadens their minds, develops communication skills and improves the quality of life by providing better job opportunities. It will perfect their communicative credentials, gain confidence, lead to achieve the goal early, make their personality effective, make them the part of global community, and enhance the opportunity of multiple career prospects. Since English is a global language used in many spheres of human life today, it has gained significance in every field. Skills and expertise acquired in usage of the language makes the students present themselves effectively and skilfully for jobs/ employment/ profession in various fields.

Course Outcome :

1. To facilitate the learners in acquiring listening and speaking competence
2. To assist the learners in independent language comprehension and production
3. To make the students aware about the different communicative functions of English.
4. To improve skills and proficiency for being employed as teachers, state government employees, civil aviation, engineering and medico-related industry, defence, commerce and taxation sector.
5. To be able to speak, write, read and listen flawlessly in person and through the electronic mode in English.
6. To understand views of others, mediate contradictory views/ disagreements, reaching conclusion in groups / group discussions.
7. To understand and use basic skills of the English language for applying it in the job assigned / employment accepted / profession undertaken.

Course Specific Outcome :

After completion of this course successfully, students would be able to

1. Understand nature and nuances of English Language used in prose lessons and poetic passages.
2. Apply the knowledge of English to communicate with others on personal, social, literary and interdisciplinary topics.
3. Compare the structure of English language to use LSRW.
4. Formulate the sentences as per situational requirement.
5. Differentiate between acceptable and unacceptable sentences in English.

6. Create appropriate, grammatically correct and acceptable sentences in English.
7. Develop general language proficiency through listening, speaking, reading and writing

Employability Potential of the Course:

English being one of the subjects only for Semester one and two in B.Sc degree restrict the students to learn English further in subsequent semesters. It is found that Compulsory English subject is given less importance and consequently the students of rural area are mostly affected and poor in their communications of English. However students who pass the B.Sc programme with English as one of the subjects in Semester one and Semester two have good opportunities of employment in education, private, semi-government, government, and industry sectors. The pass outs could get a job as per the core subject offered by them. If they develop their skills of communications, they can get the good job in their respective field. English is important for students as it broadens their minds, develops communication skills, employability skills and improves the quality of life by providing job opportunities.

English is the language of technology, agriculture, medical, aviation, computers, diplomacy, business and tourism. It is the language of international communication, the media and the internet. Whether it is for professional or personal reasons, understanding the importance of English will help the students to reach their goals. Knowing English increases the chances of getting a good job in a national and multinational company within the home country or of finding work abroad. In addition, English is increasingly used day by day in education and as a working language in many reputed companies. English is used in films, literature, songs, sports, trade, products, science and technology, and through these areas many English words and expressions have found their way into our mother tongue also. First and foremost, studying English can help the students to pursue and obtain more job opportunities. No matter what career pathway the students decide for them proficiency in English facilitates to become a better and more sought after employee.
