*(On the occasion of National Science Day & To conserve Lonar
Crater)*

27th & 28th Feb 2019

Chief Organizer- Principal Dr. Prakash K. Banmeru

Coordinator- Mr. Saurabh P. Gaikwad

PROGRAMME REPORT

The 2nd State Level Lonar Science Festival was organized at Late Ku. Durga K. Banmeru Science College, Lonar On 27th and 28th February 2019 with the objective of celebration of National Science Day and conservation of Lonar Lake. The 2nd State Level Lonar Science Festival was celebrated with great enthusiasm.

1. Science Flame Rally (February 27, 2019 at 9.00 am)

On the occasion of the inauguration of science flame rally, senior scientists from IISER Pune, Dr. Arvind A. Natu, President of Amrit Sevabhavi Sansthan Smt. Ushatai Gole, President of Shri Shivaji Shikshan Sansthan Lonar- Dr. Kushalraoji Mapari, Secretary of Amrit Sevabhavi Sansthan Dr. Santoshji Banmeru, Principal Dr. Prakash K. Banmeru were present on the occasion. Students presented the importance of science in front of the local people by organizing a play on the eradication of superstition. Tributes were paid to the soldiers who were killed in the terrorist attack in Pulwama. The students also played excellent Lezim.

On the occasion of the inauguration of science flame rally, senior scientist Dr. Arvind A. Natu, President of Amrit Sevabhavi Sansthan Mr. Smt. Ushatai Gole, Principal Dr. Prakash K. Banmeru and dignitaries were present.

2. Inaugural Function

The second state-level Science Festival was inaugurated with great enthusiasm. The principal of the college Dr. P. K. Banmeru was the president of the programme. chief guest on the occasion Dr. Arvind A. Natu, senior scientist from Pune, Director of Dr. A. P. J. Abdul Kalam Astronomy centre- Dr. Srinivas Aundhkar, President of Amrit Sevabhavi Sansthan, Smt. Ushatai Gole, Mr. Maheshji Patil, Mr. Prakashraoji Mapari, Secretary of Amrit Sevabhavi Sansthan Dr. Santoshji Banmeru were present.

Glimpse of Inauguration

Principal Dr. Prakashji Banmeru explained the role of the our college in the organization of the state-level Science Festival. Dr. Arvind Natu guided the students on basic science and research. Arvind Natu, through his speech, guided the relationship between nature and the human being responsible for nature's rise. It is necessary to create a natural awareness in the society and young children and the relationship between science and nature has been guided in detail and won the hearts of the students.

Dr. Arvind Natu while delivering his talk

Mr. Maheshji Patil highlighted the importance of 'Bachelor of Vocational Course- Tourism and Hospitality Management'. Dr. Srinivas Aundhakar delivered a talk on 'Lets understand our earth'. He also steered the issue of changing weather and the factors responsible for it. Considering the current situation, he guided the changing environment and the problems

arising out of it, earthquakes, famines, etc. and explained the reasons behind the change in the environment. Along with them, he gave information about the work done on the method of measuring the diameter of the sun. The President of Amrit Sevabhavi Sansthan Mrs. Ushatai Gole advised the students to improve their future by making research and told that the college will continue to strive for the conservation of Lonar Lake. The coordinator of this state-level Lonar Science Festival was Prof. Saurabh Gaikwad.

3. Science Exhibition-

Students from various universities of Maharashtra participated in the science exhibition of the second state level Lonar Science Festival with their scientific experiments on following themes.

1. Importance and conservation of Lonar Lake
2. Basic and General Science
3. Agriculture and Animal Husbandry
4. Science and Technology
5. Medicinal plants and their production

These were as many as 25 students from various colleges participated in the exhibition. Various experiments and posters presented by the students in the science exhibition organized at the Lonar Science Festival were evaluated. It was organized in five categories. An evaluation committee of three professors from different disciplines was formed to examine the scientific experiment.

Dr. Shrinivas Aundhkar, Mrs. Ushatai Gola Madam, Dr. Santosh Banmeru, Principal Dr. Prakash Banmeru Sir while inaugurating the science exhibition,

Glimpse of Programme
