

Late Ku.Durga K.Banmeru Science College Lonar

Dist.Buldana -443302

4.1 Physical Facility

4.1.1: Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution

Response: The college provides education to student in rural area. Our college has provides art infrastructure and facilities for the teaching learning process for students. The college development committee (CDC) has provided the adequate infrastructure for the development of the college considering the rural area. All classrooms of college are fully ventilated, latest blackboards, LCD projector joining system, desk benches, fans, lights etc. Some classrooms are fitted smart boards and CC-TV cameras in which students across both the campus can attend any lecture. The college campus is safe and secure building with security CC-TV cameras. The total college campus is covered by CC-TV camera. We also have well equipped computer lab, which are used by the students for lab-based classes, practical's.It also provides different software's. As well as faculty members are used computer lab for teaching learning and research process. Both the campus are fully Wi-Fi enabled in which students can access the internet from each and every corner of the college campus. It also helps the students and faculties to intersact with each other by sending any documents, notes, assignments etc. The college has a seminar hall/conference hall, laboratories and skill based (B.Voc) lab. In this laboratories all equipment are available.

Campus-Spread over 6 acres in a verdant green campus. In our college has 7 Class room with ergonomic furniture for students.

Skill Lab- Institute make one skill lab for provides a safe training environment in which a learner can be observed and be provided with the feedback necessary to improve. In this lab well equipped as Air conditioner with smart 43 inches LED TV with high speed internet connection. Skill lab also provide microphone in the seating arrangement for the student audio learning.

This lab also available Audio-Visual facility.

Girls Common Rooms –College has facilitate our female students, the Campus has established a spacious and comfortable common room for gilrs. This space has been designed to give female students a place to relax, study, have informal discussions in free time available. College has a provision for Girls Common

Room where the girl students may sit, rest and go for recreation. In this room attached washroom with Sanitary Napkin Vending Machine, CCTV etc.

Laboratories-All department like Chemistry, Botany, Zoology, Physics, Electronics, Microbiology and computer Science (With power backup facility for the UG and PG Student) have equipment required for student demonstration is available in all facilities like Electricity, Continuous supply of Gas, Fire Extinguisher, in the laboratory. College have Separate language room and Mathematics department.

ICT Facility-Audio-visual aids are used in the college to make learning easier for the students.

3 smart board attached with computer with internet, facilities have been provided in the college for the convenience of the students in which power point presentation etc. are regularly used on smart boards. Skill Lab also Available in the college.

Ramp & Wheelchair - The College has made arrangements for blind and disabled students. College provide Ramp & wheelchairs. First priority is given Blind and Handicaped student for Exam form, Scholarship Form submission etc.

Sports Ground: A verdant well-manicured multipurpose sports ground is used for Indoor and Outdoor games.

Auditorium Hall: The auditorium with well equipped facility to organized various program. Auditorium hall is used for several purposes such as yoga sessions, self defense workshops, student competitions and practice of extra-curricular activities.

Women Hostel: Increasing mobility of students, to seek the education they desire, raises the demand for hostels. College has Women Residential Hostel with the Capacity of 25 girls. All the facility available in the hostel Seek rooms, Mess, Ramp, Beds, Separate kitchen etc.
