

### Addiction Awareness Program

On 8<sup>th</sup> September, 2018, Mr. Shyam Madhurkola, an artist from Andhra Pradesh, guided the students in the college on the topic of drug addiction on behalf of the National Service Scheme. He presented many talents to the students, first showing them the talent within themselves.

Today's young generation is addicted to drugs, and at an early age, he informed the students about the cancer caused by the consumption of Gutka, Mava and tobacco, along with showing the pictures of cancer to the students. A lot of guidance was given on de-addiction by resolving that no student should consume tobacco Gutkha from today.

Some slogan for addiction
