

About Department

The Institute has taken a noble step to start science Institute in June 2000, The Science wing was started within 07 basic subjects, Computer Science is one of them. From session 2007, Institute starts Post Graduation in Computer Science.

Students have two choices while admitting to B.Sc. F.Y. Computer Science. Students can take computer science as one of the subject for following two groups.

1. Computer Science-Physics-Electronics
2. Computer Science-Mathematics-Physics

The department of Computer Science was run purely on Non-grant basis from 2007.

The strength of students is consistently rising due to the Teachers and well equipped laboratory facilities with Expensive and necessary instruments like LCD Projector , Smart Board, OHP, Thin PC, Desktops, Printers etc. The faculty here involved in the academic curriculum designed by the Affiliating University continuously.
