### **Brief report of AUCTA's contribution-**

Our College is much grateful to Amravati University Chemistry Teachers Association (AUCTA) for providing this opportunity to conduct this competition at such a rural placed college. This college is in highly indebtedness with Amravati University teachers Association (AUCTA) for providing TA for participants, Prizes and insisting all colleges by invitation. It would not be possible to organise such event without prime directions and motivations of all life members and Executive members of AUCTA.
