Detail Report of Student Induction Program

A “**Student Induction Program**” (SIP) organized at Late Ku. Durga K. Banmeru Science College, Lonar Dist. Buldana. As per directions given by the **University Grants Commission (UGC) and affiliating university Sant Gadgebaba Amravati University, Amravati (SGBAU)** dated on 24th to 25th July 2023 for the academic session 2023-24. This Student Induction Program is for B. Sc. first year newly admitted students in college & organized by **Internal Quality Assurance Cell (I. Q. A. C.)** of the college & under the guidance of the college principal Dr. Prakash K. Banmeru.

The important objective of this program was that the students should get to know the working system of the college in detail, so that the students do not face any kind of difficulty while completing the graduation education and the students develop interest in higher education and the students get to know each other and with the professors.

OBJECTIVES of SIP:

It is mandatory for all the fresh students admitted in any UG Degree Programme offered by the college to undergo the Student Induction Programme (SIP) of Seven Days duration carrying a Credit of one. The objectives of SIP are enumerated below.

- **To help the students feel comfortable in the new environment and adjust to the customs and practices of the college life.**
- **To enable the students to become familiar with the amenities and accessing the intellectual, physical resources of the institution and the Student support system.**
- **To instill the ideas, practices and spirit of the College and its unique features.**
- **To enable the students to understand and have better relationship with the faculty members for setting the pace of fruitful teaching learning experiences.**
- **To create comfortable environment to the newly admitted students to approach faculty mentor when facing any academic, financial, and psychological problems through the well-structured Mentor Mentee network.**

All the first year admitted students were welcomed by the faculty of the college and introduced to each other. In relation to the office department of the college, admission application, examination application, scholarship application and various schemes for students as well as procedures for obtaining various certificates, the principal of the college Dr. Prakash K. Banmeru gave detailed information to the students on behalf of the office.

The head of the concerned department gave in-depth information to the students through a presentation about various scientific subject departments, National Service Scheme, Library, Physical Education Department, Career Katta, Value Education and Personality Development and other departments of the college and the activities carried out under those departments. . Along with this, according to the new educational policy that started from the previous academic year, CBCS pattern information was given to the students first.

To create a pleasant atmosphere and positive attitude among the students and every student should set high goals for his bright future, students were guided by the professors of the college and Chitrafiti to increase their interest in studies, how to plan and to increase their scientific outlook.

Along with this, the principal of the college Dr. Prakash Banmeru also clarified that all kinds of courses and extra-curricular activities will be conducted in the college for the students and expressed the hope that the students should participate fully in every activity and contribute to the development of themselves and the college. This year there will be a NAAC assessment of the college and valuable cooperation of the students is expected in that.

At the conclusion of the initiation program, the participating students expressed their satisfaction and expressed their desire to pursue certificate courses in various subjects. The said program is planned by Principal of the college Dr. Prakash Banmeru & IQAC Coordinator Dr. Mahendra Bhise and, all the faculty and non-teaching staff as well as the second and third year students got a lot of support.
